To Whom It May Concern:

I am writing this letter to provide you with information regarding the strong and fruitful working relationship that the Village of Schaumburg and Strategic Advisory Group have enjoyed since December of 2000.

The Village of Schaumburg utilized Strategic Advisory Group (SAG) to prepare a feasibility study for a convention center, arena, performing arts center, and hotel. In addition, the village is currently utilizing SAG to assist with managing the development process of the convention center and hotel component. Their work on the project has met and exceeded our expectations and I would strongly recommend using them in a similar capacity on other projects.

If you should have any questions, please contact me and I would be happy to provide you with additional information.

Sincerely,

VILLAGE OF SCHAUMBURG
