Dear Jeff,

Thank you for helping to make the 2008 Client Advisory Board Meeting such an enormous success. Where do we begin? We could not have done it without you and your team! Once again, you have assisted us with two of our highest profile events and everything was flawless. Your contribution was invaluable.

We know that 2009 will be a spectacular year. Among our resolutions for the New Year is to frequently communicate with the members of the Client Advisory Board and with you. We will be putting together newsletters that we will circulate to you to ensure that the 2009 Meeting will surpass the quality of this year's event. We will announce the dates of our 2009 annual meeting as soon as possible in the New Year.

Please pass along our gratitude and compliments to your entire staff. If there is anyone you would like us to contact personally to extend a "thank you" or recognize publicly, please contact us to discuss. Thank you for your professionalism and your unwavering support. We could not do it without you!

Best wishes,

Yulita Osuba
Sr. Director, Sales, Marketing, Event management and Exhibitor Services
